Virtual Assignment Session!

For all part time teachers on the recall list the school board will be having an assignment session this year. This replaces the phone call offers from previous years for all positions currently known to exist.

Part-time teachers on the recall list or added to the list this year in June will receive an invitation email on June 3rd. This invitation will include your time slot. You can log in early, but not late!

There are too many details to give a run down of here, so come see us at the Ask-A-Staffer on May 28th or contact us at the office if you missed the information session.

Surveys to fill out

Two are from QPAT, one called “Teacher Professional Engagement, Motivation and Exhaustion” the other “Survey Review of 2024 Negotiations”. Information gathered from these surveys will help us prepare for our next round of negotiations.

Two are sent from RSB, one for the Advisory Board on English Education (ABEE) and the second one from Human Resources/Our School.

Annual General Meeting/New Local Agreement Vote

It's an exciting year!

Several major votes are happening at our AGM on Zoom this year that will affect all of our members.

A sneak peek of what's coming:

1. Whether to accept the Local agreement as negotiated by RTU with RSB

This affects your special leave days, requirements to get on the recall lists, supervision minute parameters and more! Lots of changes have been won by RTU and we need you to vote on them!

2. Proposed constitutional changes for when we elect our presidents

We want to encourage more people to run for RTU positions. One of our first steps towards this goal is to stop making people choose between running for President and running to be on the Executive Committee.

3. And MORE!

Ask-A-Staffer

Keep an eye on your email a day or two before for the [link](#).

It's happening on Tuesday May 28th, 2024 at 5:00pm

Come ask questions about the assignment session, new negotiated local agreement, proposed constitution changes, and the AGM!
